**Community Park Meetings**

After some discussion, the Committee suggested community park meetings be set for Spring Lake Park at 6 p.m. on Tuesday, September 14, 2010 and for Wheeler Park at 6 p.m. on Thursday, September 16, 2010. Chair Norland will recommend the Council set these dates at their Council meeting of July 6, 2010. In order to get other organizations involved in the Historic Parks, it was suggested contact be made with Business on Belgrade, Rotary Club, Master Gardeners and American Legion Post 518.

Chris Corley reported he could present the PowerPoint at the community park meetings that he recently presented to the City Council. Members of the Committee suggested large photos of the parks be available for residents to review. Member Malm will check on the cost for an intern to do layouts of the proposed recommended changes to the parks.

The Committee recommended the preliminary plan be made available on the City's website and notification given of the community park meetings to the surrounding neighbors.
