To obtain a copy of a North Mankato Police Department report, fill out the attached *Request for Information: Police Reports and Data Summaries* form. Requests may be submitted by mail, fax, email or in person to the North Mankato Police Department during normal business hours (Monday - Friday, 8:00 a.m. to 5:00 p.m.; excluding holidays). Requests will be processed in the order received.

The North Mankato Police Department cannot require a requestor to identify themselves or provide a reason for their request. Not providing this information will remove our ability to contact you to clarify the request, notify you the request is complete, notify you of extra costs or delays, provide information on juveniles, provide private data, provide State Accident Reports.

To request police reports, you will need to supply pertinent information such as case number, type of incident, location and date of incident, name of individual(s) involved in the incident.

Data summary reports on calls for service to specific addresses, areas, or a summary of data pertaining to a particular offense can be obtained by providing the nature and detail of data desired, date(s) or range(s) of dates to be searched and specific locations.

Standard response time is 10 business days. You will be notified when your request is complete. You may choose to pick up the report in person or we will mail the report to you. In certain situations, we may be able to email the report.

State laws dictate the disbursement of law enforcement data. Per Minnesota Statute 13.02, government information is classified as Public, Private, Nonpublic or Confidential. If the report you request is not considered public data per statute, you may not be able to obtain a copy of the report. If this is the case, you will be notified by the Department.

Please be advised police reports concerning juveniles, domestics, sexual assaults, vulnerable adults and open criminal investigations are not considered public data by Minnesota statute and the department is required to withhold these reports as directed by Minnesota law.

Cost: Inspection of reports is free; the cost for copies of reports is 25 cents per page. The actual cost of certain data requests may be higher depending on employee time, the cost of the materials onto which we are copying the data (paper, CD, DVD, etc.), and mailing costs (if any).
